

The Alberta Fish and Game Association is your voice in conservation

Dear Friend in Conservation,

The Alberta Fish and Game Association is seeking sponsors for our 2024 Conservation Conference which will take place between February 22-24, 2024, in Medicine Hat, Alberta at the historic Medalta facility. Our annual conference brings together around 200 delegates from across the province to learn about issues and projects impacting Alberta's fish, wildlife, and habitat. Conference sponsors are essential to keeping the conference affordable for attendees and are a great way to show your support for Alberta's conservation industry and the province's stunning natural resources.

Sponsorships can be purchased online through the [conference website](#) sponsorship and tradeshow booth registration portal. Alternatively, you can call our office at 780-437-2342 to discuss sponsorship and auction opportunities, too.

All sponsorship packages are available on a first-come, first-served basis.

Conference sponsors will be recognized throughout the conference in addition to having their logo placed on the conference section of AFGA the website. Sponsors will also be recognized in conference communications leading up to the conference.

We are also seeking items to be included in the delegate conference kit. If you have an item to donate for the kit, please send 200 of them to the AFGA office.

The Alberta Fish and Game Association greatly appreciates your consideration of this request and your support for our fish, wildlife, and habitat conservation mandate in Alberta.

Sincerely,

Kelly Carter, CEO
Alberta Fish and Game Association
