

Allen Property N1/2-24-56-11-W5

Description: This 320 acre site was generously donated by the Allen family and is comprised primarily of a mixedwood forest and offers visitors ample opportunity for picking berries. Moose, deer, elk and black bear are common here, as are ruffed grouse, numerous species of songbirds and raptors. The dense understory also provides a home for a wide variety of rodents.

Partners: Alberta Conservation Association, Allen Family

Special Restrictions: Day use only. No open fires. Foot access only.
