

Gambling Lake

Ptn. NW 21-50-20-W4M

Description: The 150-acre Gambling Lake Property is characterized by knob and kettle topography. The majority of the land is represented by native meadow and tree cover; predominated by trembling aspen. Several small sloughs/wetlands punctuate the land and a small creek meanders near the northwest corner. Gambling Lake represents the southwest corner of the parcel and removes approximately 5 acres from the quarter. A large variety of waterfowl is found on the property and moose, mule deer and white-tailed deer a regularly seen.
