Description: The Sauder Reservoir Property is located west and south of Medicine Hat and consists of 109.7 acres and includes introduced plants and grasses, as well as native grasses and shrubs. The Sauder Reservoir property consists of approximately two and a half miles of reservoir shoreline. Many species of water and shore birds use the shores of the reservoir for nesting cover. There are excellent waterfowl hunting opportunities on the property as well as opportunities to observe a great number of other prairie birds.

Partners: Medicine Hat Fish & Game

Special Restrictions: Day use only. No open fires. Foot access only.
