

West Neerlandia NW32-61-4-W5M

Description: The West Neerlandia Conservation Property is in the County of Barrhead, located 30-35 km NW of Barrhead. Within the White Zone, this land lies within 2.0 kilometres of Vega Natural area and 4.0 kilometres from Fort Assiniboine Sandhills Wildland Park. Approximately 5-10 acres of the property are improved hay and pasture, with the remaining land being bush. Several lower lying sloughs and muskeg areas exist within the rolling topography, dispersed amongst higher ground. The native forest that exists is a mixed-wood ecosystem, with a combination of coniferous and deciduous trees, of varying age classes, including mature specimens. An under-story of sarsaparilla, dogwood, wild rose, and bishop's cap contribute to making this ideal habitat for numerous bird species and small furbearers such as red squirrels, mice and voles. There are also moose, mule deer, white-tailed deer and ruffed grouse on the property.

Partners: Alberta Conservation Association, Spruce Grove Fish and Game

Special Restrictions: Day use only. No open fires. Foot access only.
